TRANSMITTAL OF SUBSTITUTE SPECIFICATION

Dear Sir:

Transmitted herewith is a (1) Substitute Specification
and (2) marked-up version of the Substitute Specification.

The Substitute Specification was prepared and is filed
for the purpose of correcting the text of the English language
translation of International patent application PCT/EP03/11090
that is submitted herewith. The translation, a literal
translation of the International application that was prepared in
the German language, contains numerous grammatical and
syntactical errors that would unnecessarily complicate the
examination of this application.

No new matter is added by the Substitute Specification.

JC12 Rec'd PCT/PTC 1.8 APR 2005

The marked-up version indicates changes from the
literal English language translation of PCT/EP03/11090 by
strikeout (deletions from literal English translation) and
underline (additions to literal English translation).

Respectfully submitted,
